PRESIDENT'S MESSAGE:

New Year Greetings! You'll have opportunities to participate in some interesting and fun programs and activities this year. Phase II of the Leadership Workshops are underway and will be ongoing through June. They are designed to strengthen our lodges by highlighting officer training, leadership skills, and membership recruitment and retention. You will be getting information from your Zone Director about the time and place of the workshops in your area. I encourage all officers and any of you who are interested in future leadership roles to attend a workshop.

Setting goals is very important to the continuing progress of our lodges, our District, and our International organization. Goals for the 2006 – 2008 biennium have been established by the International Board and by the District Two Board, and are listed in another section of this Dynamic Two. All lodges are encouraged to set their own goals for 2007-2008. It's an effective way to assess your lodge and accomplish the things that you identify as priorities for the things that you identify as priorities for the lodge.

All districts are being asked to look at the possibility of starting new lodges during the current biennium. Whidbey Island Nordic Lodge #164 is the newest lodge in our district. It was established on May 19, 2001. There are now 48 lodges in our district, down from 52 lodges in 2003. The most recent closure is Mjolner Lodge #34 in Silvana. In December the members voted to disband after considering all the options available to them. Several years ago the lodge donated their building, Viking Hall, to the Silvana Community Association. At the meeting in December they dedicated their remaining funds to the Association to help with the future preservation of Viking Hall. The building has been placed on the Historic Register which ensures that the legacy of Mjolner Lodge #2-034 and its many accomplishments and contributions to the community will not be forgotten. We are pleased that many of the members of the lodge are transferring their membership to other lodges in the area.

It is important to consider the possibility of new lodge starts in our district. If you know of an area that is a possible site for the establishment of a new Sons of Norway lodge, please let me know, or pass that information to your Zone Director. The District Board will be addressing this issue at its meeting in April and will appreciate your suggestions.

Membership recruitment and retention continues to be our challenge. Every member must be an active recruiter. We now have an opportunity to not only increase membership in our lodges but to be a winner in the new recruitment contest called the **Norwegian Experience**, sponsored by Sons of

Norway and the Borton Overseas company. A chance to win this new promotional contest provides an incentive for us to talk with our relatives, friends, and acquaintances about membership in Sons of Norway. The grand prize is a customized trip to Norway for two, complete with Business Class air travel, deluxe hotel accommodations, a special tour of the Hadeland Glassworks near Oslo, extra spending money and much more. With the many benefits offered by Sons of Norway to its members, we should all be able to sign up at least one new member to qualify us for a chance to win this **Norwegian Experience**. The more members you sign up, the more chances you have to win. See the March issue of Viking Magazine for more details.

Eivind Heiberg, Director of the Fraternal Department in Minneapolis, visited our district in January and met with representatives from approximately 20 lodges in Oregon and Washington. New ideas and information were exchanged and the meetings provided an opportunity for Eivind to become better acquainted with our district. I want to thank Fjeldheim Lodge #47, Thor Lodge #42, Grieg Lodge #15, Breidablik Lodge #27, Poulsbo Lodge #44, and Bothell Lodge #106 for hosting these meetings. Oslo Lodge #35 also offered Eivind a tour of their Sons of Norway Hall while he was in the area.

Highlights for 2007 include two lodges that will celebrate their 100 Year Anniversaries, Grays Harbor Lodge #4, and Tordenskjold Lodge #5. Congratulations to both of these fine lodges. And good wishes to all of you as we continue to move forward in District Two.

Erlene Stevenson

Vice President's Message

Happy New Year to all Sons of Norway lodges in District 2.

Being Vice President it is my pleasure to receive a list of all new members joining Lodge 2-999. Members who join through International but at this time have no affiliation with any local lodge. I mail out letters of welcome to these new members and encourage them to consider joining a local lodge close to them.

Since the September Dynamic Two in the 2-999 lodge, we have gained 35 members and 9 members have joined some of our local lodges. I wish to thank all local lodge Vice President's who have taken the time to follow through on this important matter as a great tool to get new members.

We also have a category of 2-000 which is usually insurance member who become members since they bought insurance through Sons of Norway. I send letters to these potential local lodge members advising them of the closest lodge to them. I also follow up with a letter to the local Lodge Vice President requesting that they also follow up on these members and encourage them to transfer to a local lodge. We have 11 letters to new 2-000 members, but we have had no transfers to local lodges; however, if we continue to contact these people, we will get some to transfer.

As a district, we have been asked to support the International board in their goals of 2006 to 2008; therefore, the District Board at our annual board meeting at Trollhaugen also adopted these goals as ours.

They are as follows:

1. Adopt and actively support the International Board goals established for the 2006 – 2008 biennium:

- Achieve net membership growth in the "Local Lodge Members Adult and Juvenile" category between July 31, 2006, and December 31, 2007.

**Message from the
International Director
Bill Fosmoe**

District Two is very honored to have Ted Fosberg as International President and Marit Kristiansen as International Secretary. It is not often that two Sons of Members from one district are elected to such high offices. The other officers elected were Dave Rude from District Four as Vice President, Gene Brandvold from District One as Treasurer. Audun Gythfeldt from District Three was elected the fifth member of the Executive Committee. Because I was elected Alternate International Director at our District Two Convention in May at Lynnwood and Marit was elected International Secretary, I assumed her position as International Director for District Two. I will fill the balance of her term until the District Two Convention in June of 2008 at Spokane, WA.

During the International Convention the delegates received a new Membership Recruitment and Retention Kit. This kit was put together by the Fraternal Department, is very well done and can be used to recruit new members. By now, each lodge in the district should have received at least one kit as a sample. Additional kits are available from the Supply Department at International.

I would like to re-emphasize President Fosberg's goals for the 2006-2008 Biennium:

- Achieve positive net membership growth in the "Local Lodge Members Adult and Juvenile" categories between July 31, 2006 and December 31, 2007.
- Have active Membership Committee in at least 70% of Lodges by December 31, 2007.
- Complete the second leadership workshops in all Districts evaluate results and formulate a plan for follow-up.
- Grow membership of 40 to 55 year olds by a net of 10% over the time period July 31, 2006 to June 30, 2008.

Grow participation in insurance programs by increasing number of policy holders by 10% over the time period July 31, 2006 to June 30, 2008.

Continued from Page 3

At the International Convention in August 2006 at Vancouver, BC the delegates passed a new Sons of Norway Mission Statement. CEO Lund has received phone calls and e-mails expressing concerns about the new statement not being very nice to members of Sons of Norway from other countries. His position is that local lodges and districts should be free to adopt their own mission statement that expresses what they do and how they do it.

**INSURANCE PARTICIPATION
INCENTIVES
By Ted Fosberg,
International President**

Starting in 2007, the International Board adopted important and exciting insurance participation incentives for District and local Lodges.

For our local Lodges, we have adopted a Revenue Sharing Program which will pay to local Lodges annually a proportionate share of Sons of Norway profit based upon insurance sales in the Lodge during the calendar year. Three percent (3%) of our gross annual operating profit before capital gains and losses will be distributed in this manner. This will be a fabulous opportunity for Lodges to share in the profitability of Sons of Norway, and to support and promote our great insurance products offered by our Financial Benefits Counselors. Local Lodges will also receive \$4 for each new insurance member.

Our Districts will receive an incentive based on an increase in insurance participation by its members. A District will receive \$1000 if it increases insurance members by a net of 1% and \$2000 for a 2% or more increase.

**International Secretary
Marit Kristiansen**

First let me say what an honor it is for me to hold the office of International Secretary. The position requires the preparation of all International Board Minutes which are also printed in the Viking Magazine in an abbreviated format. Thankfully, the Home Office Staff is very helpful.

President Fosberg appointed Board Committees and I remain on the Corporate Matters Committee. I was also reappointed to Chair the S/N Foundation Grants Committee and our work begins in February reviewing the Heritage & Culture Grants for 2007.

In my last Dynamic II article, I reported on the status of the proposal to change the Sons of Norway Mission Statement. Since then, the International Lodge Committee on Resolutions reviewed the proposed changes and came with another version. After some debate, the delegates voted to accept the following Mission Statement:

The Mission of Sons of Norway is to promote and preserve the Norwegian heritage and culture and provide quality insurance and investment products to its members.

It states who we are and what we do. We dropped the words “Other Nordic Countries”, because in all honesty, S/N has not promoted other cultures. We sing the Norwegian anthem, display the Norwegian flag, teach Norwegian language, promote tours to Norway, assist in genealogy with Norway – and our name is **Sons of Norway**.

Yet, that doesn’t exclude other nationalities from joining S/N and becoming very active members or exclude lodges from including other Scandinavian countries in their programming. An Example: My son-in-law is president of my lodge. During the Family Christmas Lucia event, he welcomed everyone by saying, “I am of Danish heritage, wearing a Norwegian bunad and welcoming you to a Swedish Event”. That is all inclusive!!

Lastly, it is a pleasure to serve under the leadership of President Ted Fosberg and continue working with our new International Director, Bill Fosmoe.

2007 has arrived! Did everyone make it to several good bazaars, at least one lutefisk dinner and maybe a Julebord? 2006 had many opportunities to participate in a variety of holiday events and I hope you all did so. Unfortunately the weather made life a challenge as we endured rain, snow, more rain, wind and I had no power for 86 ½ hours. I learned how computers don't work without power and not always after. I also learned parts of computers wear out and must be replaced when you least expect to need those pieces that are necessary to the email process we all seem to take for granted. But except for the snow and ice on the ground we have now life has returned to as close to normal as possible. There are many exciting things to look forward to as lodges prepare for Heritage Day events and classes and other spring and summer activities. Help the youth in your lodge go to camp with scholarships and encouragement. Congratulations to the Adult Cultural and Heritage Retreat which is celebrating its tenth anniversary.

As I have been working on the District 2 Directory I find many new leaders taking positions in the lodges. Please help and encourage these members so you will have a successful year. A hearty thank you to all those outgoing officers and please continue to be active and enjoy your lodge programs. I find I learn new things all the time and that's a good thing for us to do. I will be asking for help on getting the correct information for each lodge. Please take a minute to provide what I need. It is so much better than complaining later that what is in the directory is wrong. Thank you to all who have cheerfully made my job easier.

Fraternally,
Janet Fruchtl, Secretary

Treasurer's Message

Treasurer's Report

Greetings to all of our District Two members. As promised, in the last Dynamic Two, I have included a copy of the year end financial information for the District. The December check received from International was the first to reflect the new dues increase as passed at the Convention in Bothell. This increase will keep our financial nose above water, so to speak, and allow us to continue to support all of the wonderful programs that our District offers our members.

I would like to highlight a few things in the reports. Our fund-raising efforts have been highly successful. First, the Runescape program continues to grow. This year net income was \$1283.90 compared to \$437.15 in 2005. This is in addition to the many hundreds of dollars that have been sent to those lodges that have hosted the jewelry sales. Get in touch with your zone director or any District board member if your lodge wants to host a jewelry sale this year. In addition, the Cartridges for Kids program brought in \$795.80 compared to \$355.90 the year

Continued from Page 5

before. And President Erlene's See's candy sales netted the District \$436.65. This comes to \$2,516.35, or just over 3% of our total annual income, generated from these three sources.

Congratulations to all who have been involved in these creative efforts for adding to the District income. What a win-win situation, when we are able to raise money and have so much fun doing it!

While the report shows a loss for the year of \$8,673.60, this is not unusual for a convention year. The 2006 District convention cost us \$18,912.54 and the International convention cost \$7,590.00. These numbers compare very favorably with the loss in 2004 of \$25,944.46 and respective convention costs of \$20,162.32 and 22,487.71. We set a very tight budget this year and were highly successful in sticking to it and minimizing our expenditures.

Also note new item number 4325 S/N Credit Card Income. This is the money that we receive back from International for each credit card that is signed up for. So get as many people as you can to apply for our credit card as this could be a great potential source of passive income for us.

As always, if you have any questions about our financial affairs, do not hesitate to contact me.

**Cartridges For Kids
Continues!**

Many thanks to all of our District Two lodges that continue to participate in our Cartridges for Kids collection efforts. When I wrote an article last January for the Dynamic Two, we had collected \$603.70 in our District-wide effort. I was thrilled at the time. Well, I am just as happy to report that in the past year, we beat that amount with \$706.00 collected. This makes a grand total of \$1,309.70 that we have raised to help fund our

youth programs since the Ocean Shores convention. This is fantastic. We hope that you will continue to support this fund raiser for years to come. It might be helpful to publish a small notice in your lodge newsletter to let your members know that you are collecting the cartridges. And remember, not only are we saving printer cartridges, but used cell phones, PDAs, and laptops as well. All of these items are thereby kept out of our landfills and recycled, reused or resold as the situation dictates.

So make sure that your collection box is displayed in a prominent place in your lodge or meeting place. You should designate someone as your local Cartridges for Kids Coordinator who can make the arrangements to pack them and call FedEx to pick them up. Not a difficult job but critical to the success of the venture.

If you no longer have a collection box or the information packet, or have questions regarding how the program works or how to get started, let me know. I will be glad to help you in any way that I can.

**Adopt a School Program
Coordinator - Sid Iverson**

Education is of prime importance to the Nordic peoples of the world. No matter which country one chooses, a strong education program is one of considerable emphasis. Here, in District Two, we also believe strongly in an educated society. Through our Sons of Norway members and/or lodges is one way we can be involved in the education of our youth.

Many lodges have already adopted schools, classrooms, programs or teachers to support. Some lodges have expressed a hesitation to begin offering their lodges because of not knowing exactly how, where or with whom they might make contact. It doesn't make a difference whether it is one lodge member or the whole lodge, your support is welcome. My thirty years as a public school teacher and administrator taught me that no matter what one does, one doesn't get his/her feet wet until one jumps into the water.

There are many ways a lodge can support an education program: working with a teacher; working in a classroom; working with a school either by working with the school administrator, the office personnel or the PTSA; working with the superintendent, the School Board or their staff. In whatever area, your extra support will prove valuable and important to our kids.

I have found that the successful program does require effort and energy and a little Norwegian stubbornness. No matter what the program provided, the staff and or the administration will be most appreciative.

If you haven't already formed a partnership with one of your schools or school districts and you are not too sure what or how to do it, I may be able to help you. Please contact me and let my creative thinking help activate your get up and go. There is a place for every lodge in our friendly education systems. Being involved with kids is such a goooooood feeling.

If your lodge is not involved or is already involved, please let me know what you are doing

and who in your lodge is my contact person and how do I make contact.

lodge. The Draxten Memorial Fund will grant an amount up to, but not exceeding, the amount given by the local lodge. The lodge awarding the initial scholarship must notify me of the recipient's name and the amount given by April 30, which means that lodges must select scholarships no later than April, Please let me know if you have not awarded them yet and when you will do so.*

**Adult Heritage Retreat
Celebrates
10th Anniversary!**

They said it could not be done, but we are now celebrating our 10th anniversary in 2007 with 2 Reunion retreats. Come to one or come to both.

We will have one retreat in the spring (April 20-22, 2007) and one in the fall (September 28-30, 2007).

If you have not attended since our first ones you will be pleasantly surprised at the changes. Besides our usual Hardanger embroidery, Rosemaling, Norwegian Language & Wood Carving classes, we have added Tatting, Genealogy, Card Weaving, Bunad making, Runes and more. Other Special events are announced before each retreat.

In April this year we are having a spinning wheel class, which already has proven to be popular. Due to a limited number of spinning wheels it is filling up quickly. If we have more that are interested we can try for another class again in the fall or in the future.

Some of you have been only to one retreat; some of you have been to them all. (I love you) It would be great to see you all again.

We still start on Friday night with dinner and get acquainted activities. Saturday morning following breakfast we will begin our smaller classes. We will also have a special speaker to explain "Mead" making and its history. Space is limited in this class. We will end Sunday after lunch and after you have eaten everything.

As most of you know, you need to bring your own bedding, toiletries and other personal items. Remember we have a hot tub and sauna so if you wish you can also bring a swim suit. Although all the meals are provided, if you wish, you can bring something to share for coffee. If it is home made we ask that you bring the recipe. We are working on a retreat cook book with all the recipes we have collected.

We have attached an application for your convenience to fill out and mail back with your check for \$95.00 made out to "Heritage Retreat"

Hope to see you all in 2007!

Happy New Year!

The storms and the cold in our area are not too promising for a happy New Year but hopefully it will soon be a memory. My condo stays very warm but I feel sorry for all the ones that have to save on the heat.

The Adult Heritage Retreat is coming up soon and I like'd to share with you my first experience at the there last fall.

I went there to get contact with other lodges and get ideas as a Cultural director, but, I got much more.

It was wonderful! The food was almost too good, because I gained too many pounds! In spite of that I will repeat my experience in March.

I had barely touched Hardanger embroidery before; although I have embroidered so many other things; this is the first time I got a lesson in how to do it.

It was so fun that I almost regretted any breaks.

Please let your lodges know about this retreat and thank you Doreen for keeping this not only going, but, to be a sold out event.

When it comes to the Resource Directory, I need help.

The first help I got at Trollhaugen. Linda Fialkowsky, the original creator of the disk with the forms, was present and she mailed me the disk that I had been asking around for.

Now, I need help in adding more names to the lists and help the lodges be aware regarding this tool we have.

As an example, only two are listed as a Genealogy source, but, I know we have many more available.

If any of you can ask around and notify me when you find somebody that is willing to participate, I will send the forms to the person.

I have tried to notify all Cultural Directors about this valuable resource we have, but, you might be a new one or you could also be an old one that never received my earlier information.

At the last District -2 Board Meeting, it was decided that the all lodges get one free copy. This copy is the property of the lodge and gets transferred over to the new Cultural Director. If the lodge wants more copies they are for sale at a cost of \$ 10.00.

As always, I am very grateful for any suggestions.

Maybe some of the Cultural Directors that live close by could meet with me and work out programs that are useful and will be attended?

Happy New Year to each and every one of you!

Things have been popping in Zone 1 for the past few months!

First of all, I want to congratulate Fjeldheim Lodge (Bend #47) on their 90th anniversary celebration last October. What a wonderful evening! The lodge really outdid themselves with a fantastic dinner, program and decorations. Each one of us had a little wooden Stabbur at our places to take home and hang on our Christmas trees. Sohng and I were able to attend this event taking Karin Custance (Columbia #58) and Toni Linne' (Grieg #15) with us.

I have gone on lodge visitations and also installed officers at Sonja (Eugene #38) and Thor (Salem #42). As always I thoroughly enjoy visiting my lodges. It gives me a chance to touch bases with the people, see what they are doing and also to encourage them.

I guess the really big thing that's been going on in Zone 1 is Phase Two Leadership Training workshops. The District was kind enough to give me a co-trainer, Karin Custance from Columbia Lodge. Our first Workshop was at Columbia Lodge in October. We were happy to have several lodges represented and a real good turnout. Our next Workshop was at Grieg Lodge in November and again, we had a good turnout with several lodges represented. Our next Workshop is scheduled for Thor Lodge here in Salem in January. We have 2 more Workshops scheduled – Sonja Lodge in February and Breidablik Lodge in March. It is hard to get to all 11 lodges in the time allotted me so I am really encouraging lodges to come together for training, which many of them have done. I am so grateful that District 2 gave me a co-trainer. I don't think I could do all this without Karin. My husband, Sohng, has also come to all the sessions to take care of the registrations and name tags. He has been a great help to us freeing us up to concentrate on the training side of things.

I'll continue to make lodge visits – I want to get to every one some time this year.

Tusen Takk to all you hard workers in my lodges,. You are appreciated!

As we go forward in Zone 2, the goal is to work on membership. We need to keep our members and increase if we can. Regretfully, Mjolner Lodge #34 of Silvana, WA has disbanded, however, some of the members will join Fritjov #17 in Stanwood, Normanna # 3 in Everett and other lodges nearby. We will retain some of these members but do need to make a great effort to become more involved with retaining our members.

ACTIVITIES IN THE ZONE 2 AREA

Monthly, on the 2nd Saturday of the Month, **Normanna #3** of Everett has a pancake breakfast. **March 3, Edmonds Lodge** will have a pancake breakfast.

March 31, the **Bite of Norway** with Bellingham, Fritjov, Blomsterdahl, and Abel as sponsors. Event held at **Frijov #17 in Stanwood**. They will have Norwegian Food demonstrations, entertainment and raffle.

April 21 will be **Wergeland’s 70th anniversary**. Event held from 2 – 4 PM at Wergeland’s lodge. There will be entertainment during this event.

May 5, Edmonds #130 will have their Scandinavian Festival at the Masonic Lodge in Edmonds. Pancake breakfast beginning at 7, Entertainment, Crafts and raffle.

Take a group of friends and go to the events above. Be supportive of all lodges, great friendships and lodge support.

Respectfully,

GRATULERER TIL ALLE DE NYE LODGE OFFISERENE.
(CONGRATULATION TO ALL THE NEW LODGE OFFICERS)

In October and November I visited the lodges in Zone 4. It is fun to be part, in a small way, of each lodge. Each lodge in the Zone are the same, but each in it's own way are different from the others, just like we people are. By now I am greeted like an old friend and that feels good to me. Some has even tryied to make a funny nice story about John and I, not knowing that it was almost true. That's when I felt like I belonged. On March 17th Grays Harbor Lodge in Aberdeen will celebrate their 100th anniversary. That is a large milestone, and they are still going strong.

Zone 5 Director's Report
Asbjørn Rostad

HAPPY NEW YEAR TO YOU ALL!

This report will deal mostly with the plans for the next few months. I have been in contact with the Zone 5 lodges and obtained schedules for upcoming events. These will be noted along with the events I have attended recently and the details for the first scheduled leadership workshop in this zone.

After participating in the leadership workshop at Grieg Lodge in November, I have planned one for Zone 5 Saturday, January 27 at Harald Haarfarger's new meeting place at the IOOF, 200 E. Railroad Avenue, just off the I-90 Spokane St. Exit in Post Falls. International Vice President Dan Rude, Missoula, MT, will be participating in this workshop which will run from 10 a.m. to 2 p.m. and includes lunch. These workshops are intended to assist all members in improving their leadership skills and are not restricted to officers. All are welcome, but reservations are needed to prepare lunch. Call me at (208)777-1030 or email me at asig777@aol.com.

Workshops for the remaining lodges in Zone 5 will be scheduled for February, March or April when the weather and road conditions are more predictable.

Recently I have attended functions at Tordenskjold and Harald Haarfager lodges and conducted a joint installation for them in December. In the immediate future I will be participating in Harald Haarfarger's 97th Anniversary & Membership Recognition Dinner January 19. The next day, January 20, I will visit Elvedalen in Lewiston to install their officers. Some of the upcoming events in Zone 5 lodges are listed, starting with Tordenskjold, the oldest, located in Spokane. They offer a social the 2nd and 4th Friday of each month featuring Happy Hour, 5:30; Dinner, 6:30; Program & Dancing afterwards.

Harald Haarfager, the Coeur d' Alene Lodge that now meets in Post Falls, plans its social for the 3rd Friday of the month and next on the agenda is lutefisk February 16 for \$12, reservations (208) 664-6234. March features corned beef & cabbage while April is the popular Taste of Norway. The 7th Annual 17de Mai Flag Raising is set for 11:15 a.m. May 17 while the annual picnic at Farragut State Park will be June 16 with camping June 15 & 16. In August a picnic and potluck in the Silver Valley is followed by group attendance at the Wallace melodrama.

Odin Lodge has their regular meeting in Yakima the 1st Friday at 7:30, alternating between a full potluck and dessert only

Columbia Basin Lodge has their Moses Lake meeting the first Saturday.

Upcoming special events include an Appreciation Dinner May 17 with picnics both July 7 and August 4.

Sol-Land Lodge meets the 3rd Friday. Their big event is the annual lutefisk dinner set this year for Feb. 3 at the First Lutheran Church in Kennewick.

For Epledalen, Wenatchee, that meets the 1st Thursday, the next major social will be their anniversary in April.

Grondal Lodge, Boise, plans Installation of Officers January 19.

February will feature a Map Study Game while Viking Exploration is on their March agenda.

A Family Program highlighting traditional songs and music from Norway is offered in April followed by a picnic May 17th.

Elvedalen Lodge meets the 3rd Saturday. Their next big event is a March 8 breakfast.

Magic Valley Viking Lodge, Twin Falls, Idaho, meets on the 3rd Monday of each month. They have heritage programs planned for their meetings. In February exchange students will give a presentation while in March a dinner will feature a program about members who traveled to Norway. Game Night is slated for April while a Breakfast Celebration is planned for Syttende Mai. A picnic at the Snake River is their June event.

Walla Walla's Blafjell Lodge plans a Norwegian Breakfast in February and a Midsummer Fest with Breakfast June 23.

While the meeting dates for the lodges are listed in the District #2 Directory, it is always best to call the lodge in case times and other details change. Use the lodge website when available for up-to-date information.

If you don't have a lodge's website address, you can access any lodge that has one by going through the Sons of Norway website. Follow these simple steps; the site you seek is but a few clicks away:

Martha Andrew

How the time flies! It seems like the International Convention in beautiful Vancouver, BC, was just a couple of weeks ago. We've had lots of activities and events at lodges in Zone 6, members have baked their traditional goodies and celebrated Christmas, the lodges have held elections and we are into 2007.

Leadership Seminars are being presented at most of the lodges in Zone 6 and are being well received. I've found that this is a wonderful method to exchange ideas and to problem solve. It has been quite a few years since zone meetings have focused on officer duties and, judging from many of the comments, we shouldn't let so much time go by before doing it again. Some lodges find officer recruitment an easy task, other lodges have a difficult time filling those important jobs. A membership familiar with officer duties and knowledgeable in maintaining a viable, exciting lodge may be more willing to accept lodge officer positions. Our lodges in Zone 6 are amazing and I was honored to have the opportunity to meet with them and learn how they continue to have such good experiences year after year while always looking for new and interesting ways to preserve our culture and heritage.

**Spring-Time Events
in Zone 6 include:**

Fedrelandet No. 23 has their Lutefisk dinner on February 11th with their installation of 2007 officers on February 21. March will see the Pancake Breakfast and a Welcome Ceremony for new members. April is the Blessing of the Fleet and, of course, they go wild in May with Syttende Mai and Little Norway Festival. Members from other lodges in Zone 6 are encouraged to join in the party! Call President Sally Dwyer if you want more information.

Svalbard No. 33 is busy, too, with their Sweet-heart/Volunteer Appreciation inner in February, a Folk Dance Workshop in March, their Norwegian Breakfast in April and Scandinavian Games in

May. Their lodge team competed in WorldQuest 2007 in January but I do not have the results of that competition as I write this. They won the competition in 2005 and came in second in 2006 so expectations are high! Svalbard has been organizing a Zone 6 event in Juneau during the Alaska Folk Festival. It would have cultural booths, a bunad parade, the Norwegian Breakfast would be incorporated into it. It has proven difficult because of distance and expense for other lodges to participate but it would be great fun for everyone in April! For more information, contact President David Moe.

Bernt Balchen No. 46 has their annual Super-Bowl Party ton February 4 and a Musical Evening on February 10. There will be Iditarod Race activities on March 3 & 4 so that we can cheer on the Norwegian mushers. March 10 is a day for Woodcarving and a Big Screen Movie Night is on March 31. The Hatcher Pass Easter Ski Weekend is April 7/8, with the Smoked Cod Dinner on April 21. May has Mother’s Day Brunch, Syttende Mai Parade and Syttende Mai Banquet. Contact President Tom Falskow for details.

Arctic Viking No. 117 will have their Winter Dinner Party on February 10. Fastelaven Winter Sports Day follows on February 18. Syttende Mai will be celebrated on May 17th. Contact President Karin Weflen to learn about other activities if you should plan on visiting the Fairbanks area. They often have the nicest summer weather in Zone 6.

Island Viking No. 145 will have an Old Fashioned Ice Cream Social in February. Other events are still to be determined. Contact President Jan Finlay to learn about their activities if you are planning to visit Kodiak. They had a very successful “Salute to Our Veterans” in October at the American Legion Hall in Kodiak. Their program included a showing of the film “Defiant Courage”. Tim Andrew who played Jon Baalsrud in the film attended this event and was available for questions about the filming of the story in Alaska. Island Viking Lodge provided a wonderful opportunity for Sons of Norway to share a

story of World War II Norwegian courage with the citizens of Kodiak.

By the way – three of us “older” ladies from Bernt Balchen Lodge and a couple of “older” ladies from Fedrelandet Lodge went to the Adult Heritage and Cultural Retreat at Trollhaugen in September. If you’ve thought about going but just keep putting it off, get yourself going! We had a wonderful time. Lots to do, great friends to socialize with – it’s an experience you’ll really enjoy. We did – even if they put the “trouble makers” (aka Alaskans) all in one room. We just sang every camp song we could think of after everyone went to bed. We just couldn’t get the hang of Sally Dwyer’s Camp Fire yodel tho. Guess we’ll have to go back and try it again. Are you ready, Doreen?

**ALL ABOARD THE GOOD SHIP
TORDENSKJOLD!**

Welcome to Spokane, Washington June 18 – 22, 2008 for the District 2 Convention! Bring your oars because if we all row together, our ship will arrive in fine fashion and we will conduct necessary business but still have a boatload of fun – don't miss out!

Accommodations are available at our convergence center of the Mirabeau Park Hotel & Convention Center in the near Spokane Valley. Busses will replace our ship for travel to and from the events held away from our sleeping and meeting venue. Be sure to stay with us at this luxurious lodging.

Wednesday is the President's reception at Tordenskjold's lodge.

Traditionally, bunads are worn this evening. And of course we will be eating there.

Thursday is an evening dinner cruise on the water on a large sight-seeing boat.

Friday you may cruise on over to the nearby large shopping mall by our hotel, go see the Spokane Falls and Riverfront Park downtown, go sightseeing or perhaps tour some of the beautiful city of Spokane and environs.

Saturday we will remain at Mirabeau Park – this hotel is all on one level –with a heated swimming pool outdoors under the stars.

Mark your calendars now because June in our area is a lovely month for travel.

Susan Kirkeby and Reba Haugen Jewell,
Co-chair Convention 2008

**Membership Recruitment
& Retention**

People who recruited new members in 2006 will receive a 2006 recruitment pin and certificate! These pins will be mailed to the lodge vice presidents by March 1 along with a list of recipient

members and the new members they each signed up. Each recruiter will receive one pin: either a 1, 5 or 10 member pin, according to the number of people they introduced to Sons of Norway. The certificates will indicate the exact number of new members recruited.

Congratulations to these star recruiters for their great results!!

**Ski for Light Award
Presented to Larry Showalter**

Larry Showalter is receiving his award at the Ski for Light International event in North Conway, New Hampshire, on January 27. I presented the award on behalf of Sons of Norway to Larry who is the International President of Ski for Light and a member of Cascade Lodge #87, Mercer Island. He received the Most Valuable Participant award from the National Fraternal Congress of America (NFC) for the week of January 8, 2007. Sons of Norway submitted his name as a candidate for the award for his many contributions to Ski for Light and to Sons of Norway. The purpose of the NFC awards is to recognize the good work being done by individual members of the Fraternal organizations that belong to NFC. Larry is a blind skier and has been a strong Ski for Light leader for many years.

Local Lodge Historians/Archivists

In 2010 District 2 celebrates 100 years of the merger between the Grand Lodge of Sons of Norway of the Pacific Coast and the Head Lodge of Sons of Norway. at a convention held in Grand Forks, ND. From 1903 to 1910 the Grand Lodge consisted of local lodges from Washington, Oregon, Idaho, California, and British Columbia. With the merger Sons of Norway spread from coast to coast.

While working on the centennial exhibit for Sons of Norway on the Pacific Coast in 2003, I became fascinated with the beautiful panoramic photos of our then annual conventions, convention materials, pins, and district officer photos. Those annual conventions were often held with the Daughters of Norway on the Pacific Coast. My mission as District 2 Historian is to have a complete compilation of convention materials and photos over our 100 year history. With local lodge help I hope to complete this project in time for our big celebration in 2010. Many of these photos are stored in basements, attics, and at members' homes. Can you help me find them so if nothing else we can have a digital record of these historic moments in our past?

In particular convention photos and materials from 1903-1928 and photos of the district presidents/officers during the time are needed.

Please contact Christine Anderson at 206-784-6181 in Seattle or by email at cmaance@earthlink.net just to let me know you

are the historian for your lodge. In the near future a workshop for our local lodge historians is being planned so we can exchange information as to what our many lodges have and how to preserve what they have in the way of historical materials.

International Information

A Change in Lodge Revenue Sharing

The method used to calculate lodge revenue sharing is being changed. Previously a portion of each member's premium went to help fund programming at lodges and was distributed in with a semi-annual premium offset check. The checks distribute in January 2007 will be based on this method of calculation.

In 2007 funding will be based on the net revenue of Sons of Norway (*profitability*) and will be paid to local lodges in the first quarter of 2008 based on insurance premiums received from their members. This new funding method is expected to increase revenue for most lodges.

Promote the Advisor

Have you seen the *Advisor* yet? It's a new, exciting publication from Sons of Norway and your lodge's financial benefits counselor that is mailed to all members. Packed with important information on current financial topics, the *Advisor* is a valuable resource, along with your lodge's financial benefits counselor, to help members plan for their financial future. Please make your members aware of this important new benefit and urge them to read it when it comes.

Tubfrim Information for District 2

Tubfrim is an organization in Norway that resells cancelled stamps and donates the proceeds to help handicapped children and youth and to aid in tuberculosis research. Sons of Norway is proud to support Tubfrim in their work to support children in need.

To help Tubfrim do its crucial work, please have your members clip canceled stamps from envelopes, leaving at least a quarter of an inch around the edge. When a pound of stamps has been collected, members can have your Tubfrim chairperson or lodge secretary weigh and verify them. Have members place their stamps in a plastic bag and send it in a sturdy box to Tubfrim, 3540 Nesbyen, Norway.

For every pound collected, an official postcard (available in the members section of www.sonsofnorway.com, under *Lodge Management: Lodge Forms*) should be sent to:

Leif Erikson Hall,
2245 NW 57th St,
Seattle, WA 98107

or to Knut Karlsen, Tubfrim Chairman, 2214 Highway 9,
#187, Mt. Vernon, WA 98274.

Stamps may also be sent to one of the following individuals who will in turn forward them to Tubfrim:
